1902 - Renovations

Although the two altars appear to be similar, it is interesting to note that the altar to the Sacred Heart is made of marble while the altar to the Blessed Mother is wood that has been painted to resemble marble. The Sacred Heart altar was given by the Sacred Heart League in 1902 during the extensive interior renovations for the Parish’s 50th Anniversary.

The clothes for these altars were recently donated by Mrs. Maria Kinsel to complement the soft deep pink of the Sacred Heart altar and the pastel blue of Mary’s altar.
